## Dear Member

As a valued Member of Kyalami Country Club, we would like to take this opportunity to thank you for your continued support throughout 2023. The year was filled with positive changes for our Club and we are excited to see KCC become stronger year on year.

When we prepare budgets, it is crucial that we find an appropriate balance between member satisfaction and value for money on the one hand and the future sustainability of our Club and the funds required to continue to improve the offering available to our members.

Members have certain expectations in return for their fees, and the Club, as a business, must ensure the income levels required to make it financially feasible to deliver on those expectations.

We are pleased to advise that the membership fees for 2024 have been finalised and the increase on your subs and green fees is 7% for next year.
